#### COMMITTEE SUBSTITUTE ORDERED PRINTED.

On motion of Mr. Kinnear, the committee substitute to House bill No. 627 was ordered printed instead of the original bill.

#### INVITING MEMBERS TO VISIT SAN ANTONIO.

The Speaker laid before the House and had read the following invitation from Mr. C. M. Chambers, Mayor of San Antonio:

To the Members of the House and Senate of the Forty-first Legislature:

We, the undersigned representatives of the International Exposition and Livestock Show of San Antonio, take pleasure in inviting you to visit with us at our Exposition Grounds as our guests on March 2, 1929.

This being one of the sacred days in the annals of Texas, we believe that it could not be more fittingly spent by

the Legislature than a visit to San Antonio and the sacred Alamo.

Transportation and entertainment will be furnished and we trust that all members will honor us with their presence.

(Signed) C. M. CHAMBERS,  
As Mayor and for the City Commissioners of San Antonio.

W. A. WURZBACH,  
President.  
ALBERT STEVES, SR.,  
Vice-President.

International Exposition and  
Livestock Show.

KAYTON,  
ANDERSON,  
READER,  
MEHL,  
NEGLEY.

On motion of Mr. Anderson, the House accepted the invitation.

#### CONFERENCE COMMITTEE ON SENATE BILL NO. 35.

Mr. Harman called up from the Speaker's table, for consideration at this time, the request of the Senate for a free conference committee on Senate bill No. 35.

The Speaker laid the request of the Senate before the House.

Question—Shall the request be granted?

Mr. Harman moved that the request be granted.

The motion prevailed.

#### REASONS FOR VOTE.

I voted to overrule the point of order made by Mr. Pope on Mr. Barnett's motion to refer the Smith vs. Montgomery election contest to the committee. The previous action of the House was, in my opinion, a judgment of a court. The petition of the citizens of Hidalgo county was, in effect, a motion to set aside and review this judgment. I believe the judgment was void because:

First. The House had ignored the mandate of the statutes, directing the committee to hear the evidence;

Second. The contestant had been assured that the House would not take any action until the evidence was submitted and contestant was lulled into security by such assurance.

In my opinion, a point of order on a motion to set aside a void action is not well taken.

HARRISON.

#### MESSAGE FROM THE SENATE.

Senate Chamber,  
Austin, Texas, February 14, 1929.

Hon. W. S. Barron, Speaker of the House of Representatives.

Sir: I am directed by the Senate to inform the House that the Senate has passed the following:

H. B. No. 523, A bill to be entitled "An Act to levy and collect annually a three-dollar road tax against all able-bodied male citizens of Childress county, Texas, who are between the ages of twenty-one and forty-five years; providing the manner of assessment and collection of said tax."

H. B. No. 565, A bill to be entitled "An Act to levy and collect annually a three-dollar road tax against all able-bodied male citizens of Foard county, Texas, who are between the ages of twenty-one and forty-five years; providing the manner of assessment and collection of said tax, and repealing all laws in conflict therewith; and declaring an emergency."

H. B. No. 87, A bill to be entitled "An Act to amend Article 7117 of Chapter 5 of Title 122, of the Revised Civil Statutes of Texas, 1925 codification, so as to exempt from inheritance tax intangible personal property of a non-resident who was, at the time of his death, a resident of a State or Territory of the United States or of a foreign country which did not impose a transfer or inheritance tax of any character in respect of intangible personal property of residents of this State."

The Senate has agreed to concur in House amendments to Senate bills Nos. 13 and 34 by a vote of 30 yeas, 0 nays.

The Senate has refused to concur in House amendments to Senate bill No. 35 and requests the House for the appointment of a free conference committee to adjust the differences.

The following are appointed as con-

ferrees on part of the Senate: Senators Woodward, Love, Miller, Stevenson and Woodul.

Respectfully,  
MORRIS C. HANKINS,  
Assistant Secretary of the Senate.

# RECESS.

On motion of Mr. Anderson, the House, at 12 o'clock m., took recess to 2 o'clock p. m. today.

# AFTERNOON SESSION.

The House met at 2 o'clock p. m., and was called to order by the Speaker.

# SENATE BILL NO. 38 ON SECOND READING.

The Speaker laid before the House, on its second reading and passage to third reading,

S. B. No. 38, A bill to be entitled "An Act to repeal Articles 1066 and 1071, Title 15, Chapter 4, of the Code of Criminal Procedure of Texas, Revision of 1925, allowing fees to justices of the peace in misdemeanor cases, so that such justices will no longer have a pecuniary interest in the conviction of an accused person; and declaring an emergency."

The bill was read second time.

Mr. Johnson of Dimmit offered the following amendment to the bill:

Amend Senate bill No. 38 by striking out and inserting in lieu thereof the following:

Section 1. That Article 1066 of the Code of Criminal Procedure, Revision of 1925, be, and the same is hereby, amended so as to hereafter read as follows:

Article 1066. Costs in Justice Courts—All criminal actions tried in the justice court, the following costs shall be taxed and collected of the defendant in case of conviction, and accounted for as provided by law:

1. For each warrant, seventy-five cents.
2. For each bond taken, fifty cents.
3. For each subpoena for one witness, twenty-five cents.
4. For each additional name inserted therein, ten cents.
5. For docketing each case, ten cents.
6. For each continuance, twenty cents.
7. For swearing each witness in court, ten cents.
8. For administering any other oath

or affirmation without a certificate, ten cents.

9. For administering an oath or affirmation with a certificate thereof, twenty-five cents.

10. Jury fee where a case is tried by jury, fifty cents.

11. For each order in a case, twenty-five cents.

12. For each final judgment, fifty cents.

13. For each application for a new trial with the final judgment thereof, fifty cents.

14. For each commitment, one dollar.

15. For each execution, one dollar.

16. For making out and certifying the entries on his docket, and filing the same with the original papers of the cause, in each case of appeal, one dollar and fifty cents.

17. For taxing costs, including copy thereof, ten cents.

18. For taking down the testimony of witnesses, swearing them, taking the voluntary statement of the accused, certifying and returning the same to the proper court, in examination for offenses, for each one hundred words, twenty cents.

Sec. 2. That Article 1071 of the Code of Criminal Procedure of Texas, Revision of 1925, be, and the same is hereby, amended so as to hereafter read as follows:

Article 1071. Examining Court in Misdemeanor.—Justices of the peace who sit as an examining court in misdemeanor cases shall tax and collect the same costs authorized by law in the trial of such cases, to be paid by the defendant in case of final conviction, and accounted for as provided by law.

Sec. 3. The fact that the Court of Criminal Appeals of Texas has recently held that a justice of the peace is disqualified in cases of misdemeanor, because the law allows such justice fees only in the event of conviction, and the necessity for the amendment of such laws, so that such justices may no longer be disqualified because of such interest, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

The amendment was lost.

Senate bill No. 38 was then passed to third reading.

(Mr. Purl in the chair.)

SENATE BILL NO. 37 ON SECOND  
READING.

The Speaker laid before the House, on its reconed reading and passage to third reading,

S. B. No. 37, A bill to be entitled "An Act to amend Article 1074, Title 15, Chapter 4, of the Code of Criminal Procedure of the State of Texas, Revision of 1925, so as to provide also a trial fee in justices' courts in misdemeanor cases; and declaring an emergency."

The bill was read second time.

Mr. Johnson of Dimmit offered the following amendment to the bill:

Amend Senate bill No. 37 by striking out on page 1, lines 32 and 33, the following words, "in the same manner as in the case of a jury fee," and insert in lieu thereof the following, "as may be provided by law."

The amendment was lost.

Mr. Barnett moved a call of the House for the purpose of maintaining a quorum until 5 o'clock p. m. today, and the call was not seconded.

Mr. Lee offered the following amendment to the bill:

Amend Senate bill No. 37, page 1, line 34, after the word "dollars" add the following, "which trial fee, together with all fees in criminal cases allowed in justice of the peace courts, shall be paid into the general fund of the county, and the commissioners court shall pay to the justice of the peace out of said fund such salary as provided by law."

The amendment was lost.

Question recurring on the passage of the bill to third reading, yeas and nays were demanded.

Senate bill No. 37 was then passed to third reading by the following vote:

The Speaker laid before the House, on its second reading and passage to third reading,

S. B. No. 49, A bill to be entitled "An Act to create the State Board of Pharmacy; providing for its appointment, terms and tenure of office and its members; defining its duties and powers; and to regulate the practice of pharmacy; and providing for the licensing of pharmacists and regulating the distribution, compounding and sale of medicines, drugs, chemicals and poisons in the State of Texas; defining the terms pharmacist, pharmacy, drug store, and board; providing penalties, and repealing all existing laws in conflict herewith; and declaring an emergency."

The bill was read second time.

Mr. Reader offered the following amendment to the bill:

Amend the bill by striking out all above and below the enacting clause and insert in lieu thereof the following:

A bill to be entitled "An Act to create the State Board of Pharmacy, providing for its appointment, terms and tenure of office and its members, defining its duties and powers, and to regulate the practice of pharmacy, and providing for the licensing of pharmacists, and regulating the distribution, compounding and sale of medicines, drugs, chemicals and poisons in the State of Texas; defining the terms pharmacist, pharmacy, drug store, and board; providing penalties, and repealing all existing laws in conflict herewith; and providing for exceptions from the provisions of this act; and declaring an emergency."

Be it enacted by the Legislature of the State of Texas:

Section 1. There is hereby created a board to be known as the State Board of Pharmacy, consisting of six (6) members, to be appointed by the Governor, each of whom shall have been a registered pharmacist, under the provisions of the law, for a period of five (5) years next preceding his appointment, and shall at the time of his appointment be in good standing and engaged in retail pharmacy, and the majority of the board shall be graduates of a recognized college of pharmacy and shall not be connected in any capacity with any school or college of pharmacy. The term of

office of each member of said board shall be three years.

Sec. 2. In making the first appointment, the Governor shall appoint two members of said board for one year, two for two years, and thereafter the term of each member shall be three years, so that the terms of two members shall expire each year. Vacancies on the board shall be filled by the Governor for the unexpired term only.

Sec. 3. Each member of the board shall be paid \$5 per day for each day he attends meetings of the board, not to exceed five days for each thirty applicants or less examined at any regular session and not to exceed five days for a special session, and time going to and returning from meetings shall be included in computing said time, and in addition to said per diem each member shall receive expenses incurred while actually engaged in the performance of the duties of the board. Appointees and the secretary to the board shall, within thirty days after their appointment, take, subscribe and file with the Secretary of State the constitutional oath of office.

Sec. 4. Said board, within thirty (30) days after appointment, shall meet and organize by selecting a president and vice-president and treasurer from its membership and a secretary, who may or may not be a member of the board, whose salary shall be fixed by the board not to exceed \$300 per month. The secretary-treasurer shall be required to execute a bond in the sum of \$10,000 for the faithful performance of his duties, payable to the State of Texas. The board shall have the power to make by-laws and regulations, not inconsistent with the law, for the proper performance of its duties and the duties of its officers and employees, and shall have the power to employ the necessary employees to carry out the provisions of this act.

Sec. 5. The board shall fix the standards for pharmaceutical registration, except as otherwise specified herein. The compensation of the members, officers and employees of the board shall be paid out of funds procured under this act; provided, that the State of Texas shall never be liable for the salary or expenses of any member of the board, or its officers or employees, or any other expense thereof. The books and registers as made and kept by the secretary or under his supervision, subject to the direction of the board, shall be prima facie evidence of the matter therein re-

corded in any judicial proceedings in this State.

Sec. 6. The State Board of Pharmacy shall hold regular meetings for the examination of applicants for registration and for the transaction of such other business as may legally come before it twice a year, and may hold such additional special meetings as may be necessary, not to exceed four in any calendar year. The date and place of the regular meetings shall be designated at a regular session and the additional meetings to be held at such places and on such dates as may be designated by the president of the board. The members and officers, including the secretary of the board, shall be empowered to administer oaths in connection with duties of the board. The board shall make annually to the Governor of the State a written report of its proceedings and an itemized account of its receipts and disbursements under this act; also the names of all pharmacists duly registered under this act during the fiscal year for which the report is made, and the names of all pharmacists whose license or permits have been cancelled, with a memorandum of the grounds upon which such license was cancelled, during the fiscal year.

Sec. 7. It shall be the duty of the State Board of Pharmacy to see that all laws which pertain to the practice of pharmacy are enforced, and it shall be their duty to present to the prosecuting officers of the State all violations of the provisions of this law.

Sec. 8. It shall be unlawful for any person who is not a registered pharmacist under the provisions of this act, or who is not under the direct supervision of one so registered, to compound, mix or manufacture, or sell or distribute, at retail to the consumer, any drugs or medicines, except in original packages; provided, that all persons now registered in this State as pharmacists shall have all the rights which are granted to pharmacists under this act; and provided further, that nothing contained in this act shall be construed to prevent the administration of drugs and medicines carried or kept by licensed physicians, dentists, veterinarians and chiropodists in order to supply the needs of their patients, nor to the sale of patent medicines in original packages only and insecticides and fungicides, when properly labeled, nor to prevent licensed physicians, dentists, veterinarians and chiropodists from compounding, manufacturing and selling any medicines of their own formula.

Sec. 9. Every applicant for license as a registered pharmacist shall be not less than twenty-one years of age, of good moral character and a graduate of a school or college of pharmacy recognized by the board. Such applicant, in addition to the time required to graduate from school or college of pharmacy, and exclusive of the portion of the year spent in attendance at school or college, shall have had at least one year of practical experience in retail pharmacy under the direct supervision of a registered pharmacist, which experience shall be principally work directly related to selling drugs and poisons, compounding of pharmaceutical preparations and physicians' prescriptions, and keeping of records and making reports required under the State and Federal statutes; and to obtain a license shall pass a theoretical and practical examination satisfactory to the Board of Pharmacy. Provided, that the board may at its discretion grant license as pharmacists to persons who furnish proof that they have been registered as such in some other State, and that they are of good moral character, provided such other State, in its examination required the same general degree of fitness required by this State and grants the same reciprocal privileges to pharmacists of this State; and provided, that exemption from the graduate in pharmacy requirements for entrance to examination for registration as pharmacist shall be allowed to persons who, before this act became effective, have been employed for at least six months in a retail pharmacy under the supervision of a registered pharmacist and who register with the board for such exemption within one year after this act becomes effective, and who, within not more than five years from the date on which this act becomes effective, produce satisfactory evidence to the Board of Pharmacy of having had four years of pharmaceutical training under the supervision of a registered pharmacist and shall successfully pass the examination required by the Board of Pharmacy.

Sec. 10. It shall be unlawful for any person to impersonate before the board an applicant applying for registration or license under this act, or to fraudulently acquire a license in any other manner than provided for in this act.

Sec. 11. Every applicant for examination for registration as pharmacist shall pay an examination fee of ten dollars (\$10); every applicant for reciprocal registration shall pay a registration fee of twenty-five dollars (\$25).

Sec. 12. The registration of any pharmacist shall be revoked by the board after the registrant has been convicted of having violated any of the provisions of this law, or shall have been convicted of a felony or shall have been convicted of drunkenness, or of any offense, in either State or Federal court, involving the illegal use, sale or transportation of intoxicating liquor or narcotic drugs. Revocation of registration shall only be after ten (10) days' notice and a full hearing. Any person feeling himself aggrieved on account of the action of the board may institute appropriate proceedings in the district court of Travis county, Texas, for the purpose of having the license reinstated.

Sec. 13. All certificates and current renewal receipts for pharmacists, as herein provided, shall be at all times conspicuously displayed in the place of business where registrant is engaged as such. Any certificate to practice pharmacy in Texas which may be found displayed in any place of business where the person to whom said certificate was originally issued is not regularly employed as a pharmacist and actually engaged in the service of filling prescriptions, may be cancelled by the board, and any inspector, member or officer of the board is hereby empowered to take charge of such certificate pending final hearing before the board as to the revocation of same.

Sec. 14. Every registered pharmacist who desires to continue the practice of pharmacy in this State shall annually, on or before the second day of January of each year, pay to the secretary of the Board of Pharmacy a renewal fee of three dollars (\$3). If any person fails or neglects to procure his renewal registration before March 1st of each year his name shall be erased from the register of licensed pharmacists, and such person, in order to regain registration, shall be required to pay one annual renewal fee in addition to the sum of all fees such person may be in arrears. Provided, also, that the board shall each year turn over to the State Pharmaceutical Association for the Advancement of Science and Art of Pharmacy, out of the annual fees collected by it, the sum of two dollars (\$2) for each pharmacist actively engaged and one dollar (\$1) for each pharmacist inactive in pharmacy in the State. Provided further, that pharmacists not actively engaged in the practice of pharmacy in this State shall be issued a renewal certificate upon the

payment of a fee of two dollars (\$2) annually.

Sec. 15. In all stores in which a registered pharmacist is continuously employed, and where the provisions of this act have been fully complied with, there shall be displayed in a prominent place in or on the front of said store the words "Drugs," "Drug Store," or "Pharmacy."

Sec. 16. It shall be unlawful for any person to display in or on any store or place of business the words "Drugs," "Drug Store," or "Pharmacy," either in the English or any foreign language, unless there is continuously employed therein a registered pharmacist under the provisions of this act. The provision of this section shall not apply to towns or villages of a population of five hundred (500) inhabitants or less.

Sec. 17. Every person, firm or corporation desiring to continue operating a retail drug store in this State, as same is defined herein, and every manufacturer of drugs and medicines as defined herein, after the passage of this act, shall procure from the board a permit for each store or factory to be operated, by making, within six months, application to the board upon a form to be furnished by the board, setting forth under oath ownership and location, and the name, with the certificate number, of the pharmacist registered in this State, or physician, dentist, veterinarian or chiropodist who is to be continuously employed in the drug store or factory; this permit to be issued annually by the board upon receipt of proper application, accompanied by fee of two dollars (\$2); this permit to be displayed conspicuously at all times in the store or factory of original issue. Every person, firm or corporation desiring to open a new drug store or factory shall procure permit aforementioned before commencing business. Not more than one store or factory may be operated under one permit. In case of change of personnel of registered pharmacists, the board shall be notified of such change within ten days.

Sec. 18. Chapter 8 of Title 71, of the Revised Civil Statutes of 1925, and all other laws and parts of laws in conflict with this act are hereby repealed; provided, that nothing herein contained shall be construed to amend or repeal any acts or sections of acts which govern the manufacture, sale or distribution of narcotics or spirituous liquors.

Sec. 19. A "drug store" or "pharmacy," as used in this act, is any store

or place where drugs or medicines are sold or furnished at retail to the consumer, wherein a registered pharmacist is continuously employed.

Sec. 20. A "pharmacist," as used in this act, means a person licensed by the State Board of Pharmacy to prepare, compound and dispense physicians' prescriptions, drugs and medicines and poisons.

Sec. 21. Any person violating and provision of this act shall be guilty of a misdemeanor and, upon conviction, shall be fined in any sum not less than \$25 nor more than \$200, or imprisonment in the county jail for not less than ten nor more than sixty days, or shall be punished by both such fine and imprisonment; and each day of violation shall be construed to constitute a separate offense.

Sec. 22. Should any portion or section of this act be declared unconstitutional, such decision shall affect that section or part of section only and shall not render invalid any of the remainder of this act.

Sec. 23. The fact that the present pharmacy law has been enacted for more than twenty years and is now inadequate to meet the present conditions, and in order to better protect the health of the people, creates an emergency and an imperative public necessity requiring that the constitutional rule requiring bills to be read on three several days be, and the same is hereby, suspended and that this act shall take effect and be in force from and after its passage, and it is so enacted.

Mr. Beck offered the following amendment to the amendment:

Amend amendment for Senate bill No. 49 by striking out the words "and a graduate of a school of pharmacy recognized by the board" in lines 39 and 40, page 3.

Mr. Barnett offered the following substitute for the amendment to the amendment:

Amend amendment to Senate bill No. 49 by striking out all of Section 9 and insert in lieu thereof the following:

"In order to be licensed as a pharmacist, each applicant shall not be less than 21 years of age prior to his application for license as a pharmacist, or he shall present to the board satisfactory evidence that he is a graduate of a reputable school or college of pharmacy, or that he has had four years' practical experience in pharmacy under the instruction of a pharmacist; and he shall also pass a satisfactory examination by or under the direction of a

board of pharmacy. In the case of persons who have attended a reputable school or college of pharmacy, the actual time of attendance at school or college of pharmacy may be deducted from the time of experience required of a pharmacist, but in no case shall less than two years' experience be required for registration as a licensed pharmacist."

Mr. Morse moved the previous question on the pending amendments to the amendment, and the main question was ordered.

# HOUSE BILL NO. 584 ON SECOND READING.

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 584, A bill to be entitled "An Act validating all orders, judgments and proceedings of the county court at law for Eastland county."

The bill was read second time.

Mr. Gilbert offered the following amendments to the bill:

(1)

Amend House bill No. 584 by striking out all below the enacting clause and adding in lieu thereof the following:

"Section 1. That all orders, judgments, decrees and proceedings whatever of the county court at law in civil and criminal cases for Eastland county, Texas, created by the Acts of the Second Called Session of the Thirty-sixth Legislature, be, and the same are hereby, confirmed, validated, approved and legalized, and all such proceedings which have been heretofore attested and filed by the clerk of said court in his office are hereby declared to be legal, valid, complete and effective as such as of the date on which said orders were signed by the judge of said court.

"Sec. 2. That all orders, judgments, decrees and proceedings whatever of the county court at law in probate cases for Eastland county, Texas, created by the Acts of the Second Called Session of the Thirty-sixth Legislature, be, and the same are hereby, confirmed, validated, approved and legalized, and all such proceedings which have been heretofore attested and filed by the clerk of said court in his office are hereby declared to be legal, valid, complete and effective as such as of the date on which said orders were signed by the judge of said court.

"Sec. 3. That all orders, judgments, entries, decrees and proceedings coming before and having been passed on by said court are hereby confirmed, validated and legalized. Should any part of this law be held unconstitutional, it shall not affect the validity of the remaining portion.

"Sec. 4. The near approach of the end of the present session, the great number of bills on the calendar, and the fact that the validity of many criminal, civil causes, probate matters and other

proceedings passed on and adjudicated by said court are of doubtful validity, creates an emergency and an imperative public necessity requiring the suspension of the rule requiring bills to be read on three several days in each house, and it is hereby suspended, and this act shall be in force from and after its passage, and it is so enacted."

(2)

Amend House bill No. 584 by striking out all above the enacting clause and inserting in lieu thereof the following:

A bill to be entitled "An Act validating all orders, judgments and proceedings of the county court at law for Eastland county, providing that if any part of this act is held unconstitutional it shall not affect the validity of the remaining portion; and declaring an emergency."

The amendments were severally adopted.

House bill No. 584 was then passed to engrossment.
